PLACES I HAVE AND HAVE NOT BEEN.

I have been in many places but I have never been in Cahoots, apparently you cant go alone you have to be in Cahoots with someone. I've also never been Incognito I hear no one recognises you there. I have however been Insane they don't have an airport so you have to be driven there. I would like to come to Conclusions but you have to jump there and I am not too good physically. I have also been in Doubt that's a sad place and I try not to visit too often. I have been Inflexible but only when I needed to stand firm. Sometimes I'm Incapable and I go there more often as I get older. I have been In Suspense that really gets your adrenalin going. But I have not yet been Incontinent I'm told it is somewhere to look forward to when you get older.
