

One of our members, Paul Duchemin, is a keen motorbike rider who, having achieved his advanced motorcycle rider qualification, has recently been welcomed as a volunteer with the South West Blood Bikes. This will allow him to help them transport urgent medical supplies throughout Devon, and further when required, as a free service to the NHS. This registered charity has to raise its own funds from the public (as it gets no government help) to enable them to purchase, maintain and fuel the specialist bikes/equipment it requires to help relieve sickness and protect health in all areas of the county. At the moment they are trying to raise funds to purchase a further bike for the Torbay area, so the club will hold a **Christmas Fayre - Saturday 20th November 11-1pm**

Funny Story

Several men were in the locker room at the gym when a mobile phone on a bench rang and a man put it on speaker and began to talk. Everyone in the room stopped to listen. Man: Hello. Woman: Hi Honey it's me are you at the club. Man: Yes. Woman: I am at the shops and have seen a wonderful leather coat its only £1500 is it ok if I buy it. Man: Sure, go ahead if you like it. Woman: I also stopped by the Lexus dealership and saw a model I really liked. Man: How much. Woman: £80,000. Man: ok but make sure it's top of the range. Woman: great but one more thing my friend says the house I wanted is on the market again they are asking £800,000 Man: make them an offer of £750,000 but if they won't take it, buy it anyway. Woman: Thank you I love you so much. Man: Bye I love you too. The man then hung up and turned to the other guys in the room who were in awe of him and said "Does anyone know whose phone this is!"

The Lions Club have enquired with us about setting up a collection point for unwanted spectacles. we have agreed and there will be a small bin in the foyer duly labelled. Spectacles are then sent to Chichester to be sorted and forwarded to countries where they are needed

Kris our caterer is looking to add items to his menu particularly lunchtimes so if members have any preferences, please let him know.

We have had many good comments about Kris's food so why not come and try a Saturday Night meal or Sunday Lunch.
